HOUSEHOLDERS INSURANCE POLICY

Proposal Form

Important: This proposal for insurance will be the basis of any subsequent insurance policy that we issue to you. It is essential that you answer fully and accurately all of the questions contained in this proposal, and that you provide us with any and all additional information relevant to the risk to be insured or our decision as to the acceptance of the risk or the terms upon which it should be accepted. Your failure to comply with this obligation now may result in the rejection of your claim and the avoidance of your policy when a claim is made. If you are in any doubt about the information to be given, please seek the advice and guidance of your insurance advisor or agent. If there is insufficient space in this proposal for you to provide relevant information, whether as requested or otherwise, please attach a separate sheet to this proposal and return it to us.

Template for Householder policy - Working out Sum insured for Contents

(You may put the values for various items in the respective areas mentioned in the template below so that the total may represent the value of contents. As a thumb rule for Major cities like Metros the value of contents can be approximately taken as the built-up area multiplied by Rs.175-200 .For other places it may be approximately Rs.125-150 per sq. ft. Please note that this approximation is not taking into account Computers or Jewellery or other such valuables)
